## EDUCATION

● **B.Sc. Computer Science with Cognitive Systems**

Hindusthan Arts & Science, Coimbatore

2020 - 2023

● **SCHOOL**

St Paul's Matric Hr.Sec School, Gobichettipalayam

2019 - 2020

## SKILLS

- HTML
- CSS
- JAVASCRIPT
- React.js
- BOOTSTRAP
- Tailwind Css
- Material Ui
- GITHub

## PROFILE

I am a dedicated and passionate front-end developer with a solid foundation in HTML, CSS, and JavaScript, alongside experience in modern web technologies like Bootstrap, Tailwind CSS, and React.js. I am eager to continue learning and expanding my skill set, with a goal of becoming a proficient full-stack developer in the future.

## EXPERIENCE

● **React.js Developer**

June 2024 - Till date | BlueKode Solutions

- **Developed interactive web applications:** Designed and developed dynamic, user-friendly web applications using React.js, enhancing user experience with efficient component-based architecture.

- **Implemented responsive designs:** Designed and implemented responsive layouts, ensuring optimal functionality across various devices and screen sizes.

- **State management:** Utilized React's context API and hooks to manage state efficiently, streamlining data flow and reducing component complexity.

- **Code optimization and debugging:** Conducted code reviews, identified performance bottlenecks, and implemented optimizations, resulting in faster load times and improved user interactions.

- **Documentation and best practices:** Documented components and processes, adhering to best practices for maintainability and scalability.

PROJECTS

## PROJECTS

E-COMMERCE WEBSITE USING REACT.JS - 2024

Developed a fully functional e-commerce website with React.js, implementing features like user authentication, payment integration, and responsive design.
Portfolio Website: - 2024

Created a personal portfolio using React.js and CSS modules, showcasing projects, skills, and achievements with a sleek, modern design.
Dynamic Menu Management:- 2024

Developed a restaurant website using React.js that allows for easy updating and management of the menu, including dynamic pricing and item availability.
